Hi: Yvonne and I are going to meet on Monday morning to tie up some loose ends with the penalty memo. One of the to be determined is a BEN calculation. I noticed that you two are free during this time slot and would like for you to be available in case Yvonne and I want to get your input/thoughts as we value both your opinions. If Yvonne and I have time, I would call you during the existing meeting (which is why I am not sending a separate teams meeting).

Thanks!
